        }
}
```

Post login

Http Requset

Body Parameters

Parameter	Type	Status
email	string	required
phoneNumber	string	required

Success Response:
```
{
        "success": true
}
```

Error Response:
```
{
        "-111":{
            "success": false
            "result": {
                "errorCode": -111,
                "errorMsg": "login fail"
            }
        }
}
```

Post logout

Http Requset

Body Parameters

Parameter	Type	Status

Success Response:
```
{
        "success": true
}
```

Get getProfile

Http Requset

Get profile

Body Parameters

Parameter	Type	Status
email	string	required

Success Response:

```
{
        "success": true,
        "result": {
                "name": "윤근영",
                "nickName": "yun",
                "phoneNumber": "010-1234-5678",
                "email": "zxcvygy@naver.com",
                "gender" : "M"
        }
}
```

Error Response:

```
{
        "-100":{
                "success": false
                "result": {
